

Today's Session

- 1. Getting to know the Menu Check Service
- 2. Completing the menu check application form
- 3. Submitting to the Service and what happens next
- 4. Where to go for further support

Learning Objectives

By the end of today's session you should have an understanding of:

- The Menu Check Service and when to apply
- How to complete the application form and how to submit
- The next steps and what to do if application is unsuccessful
- Where to get further support if needed

Recap of Healthy School Canteen Strategy

- 1. Sugar-sweetened drinks and energy drinks should not be sold
- Occasional packaged foods and drinks should have a Health Star Rating of 3.5 stars or above
- 3. Portion limits apply to all Occasional items and Everyday juices, flavoured milks and hot meals
- 4. At least ¾ of the foods and drinks sold should be Everyday and no more than ¼ should be Occasional
- 5. Only Everyday foods and drinks should be promoted in advertising, meal deals, specials, signage and at point of sale

Webinar: Getting to know the Healthy School Canteen Strategy

Menu Check Service

- Checks if a school canteen is meeting the Strategy
- Available to all schools from all education sectors in NSW

Why get a menu check?

- To confirm whether your menu is achieving the Strategy
- To receive recognition for having a healthy school canteen

When you need to apply

- All NSW public schools are required to be meeting the Strategy by the end of 2019
- If you haven't already started, now is the best time
- Lots of support available to help you through the process

How to apply for a Menu Check

Menu Check Application Process

Flowchart for submitting your application

Preparing for a menu check

- Confident that your canteen meets the Criteria
- Know the Health Star Rating of your Occasional products
- Have a copy of your current menu, including a list of foods available over the counter and through online ordering

Completing the Menu Check Application form

Download the application form from:

https://healthyschoolcanteens.nsw.gov.au/ or

https://www.healthykids.nsw.gov.au/

- Search Menu Check Service

Complete the tables in the application

- Make sure when completing the tables that you:
 - Include any additional items available that aren't specified on the menu
 - List all items, flavours and portion sizes available individually, rather than saying "various items available"

What happens next...

Getting your results

- You should receive results report within 5 business days
- You will be contacted if more information is needed

Common reasons why the Menu Check Service has to request additional information:

- Incomplete information for products:
 - Menu items have unclear names
 - Incorrect or insufficient detail provided on the product and/or brand name and/or flavour
- Principal's signature missing from application form

What if my menu is not meeting the Strategy?

If the menu does not the Strategy

Your results report will outline changes you will need to make to your menu

Menu item	Why this item does not meet Criteria	Recommendations:
Cola drink	Sugar-sweetened drinks are not to be sold *	Swap with an Everyday drink such as water, plain milk, flavoured milk (max
		300ml primary/500ml secondary) or 99% juice (max 250ml).

• Once you have made these changes, you can re-submit another application for a second check. If you only have 1-2 changes to make, the Menu Check Service will contact you via email and you won't need to complete another application.
