How to read the NSW Buyers' Guide

Sample listing:

Category and Subcategory
 Products are sorted by category, subcategory and company to make them easy to find and are listed according to the NSW Healthy School Canteen Strategy, e.g. all ≥99% fruit/vegetable juices are grouped together within the Everyday Drinks category.

Product
 The product name and flavour/variety of NSW Healthy Kids Registered Products. Note: There may be some flavours of some product ranges that do not meet Criteria and are therefore not registered.

Product Code
 The unique product codes have been provided by the company. Codes stating "registered product" means that the company has been approved to register the product by the parent company.

Everyday Snacks

3/4

YOGHURT AND CUSTARD					
Lactalis Australia Nat 1800 000 257 NSW 02 9364 1000 sales@au.lactalis.com www.lactalis.com.au		Pauls Custard Vanilla Snack Pack	6 x 150g	16213	N/A
	NEW	Jalna Lactose Free Strawberry Yoghurt	170g	121922	N/A
	NEW	Jalna Lactose Free Vanilla Yoghurt	170g	Reg. Supplier	N/A

Company Details
 The name of the company. Use the contact details provided in the Buyers' Guide to order or enquire about products.

Newly Registered
 Products registered for the first time in the Healthy Kids Product Registration Scheme in 2024 are listed as "NEW".

Pack Size
 The size of the product registered with Healthy Kids. These may be individual portions or bulk packs.

Health Star Rating (HSR)
 A HSR of at least 3.5 stars is required for all packaged Occasional foods and drinks (excluding diet drinks), Everyday breakfast cereals, and nut/seed butters. Products that don't require a particular HSR are listed as N/A.

Disclaimer: Healthy Kids Association has undertaken a process to ensure the information in the NSW School Canteen Buyers' Guide is accurate and reliable at the date of publication, however there may be instances where products reformulate and no longer meet criteria. It is the purchaser's responsibility to decide the suitability of each product for their school and canteen setting. Healthy Kids Association is not liable for products purchased. The information contained in the NSW School Canteen Buyers' Guide is based on information provided by companies and on product labels. See the Buyers' Guide page on our website for information on and changes to product classifications throughout the year.

The NSW School Canteen Buyers' Guide

The NSW School Canteen Buyers' Guide (Buyers' Guide) makes building a healthy school canteen menu easy. It contains a list of food and drinks that meet the Food and Drink Criteria of the NSW Healthy School Canteen Strategy (the Strategy).

The Buyers' Guide is not a complete list of products that meet the criteria, but all products in the Buyers' Guide can be sold in NSW school canteens.

To ensure that only the healthiest products are listed in the Buyers' Guide, products must also meet Healthy Kids Association's additional criteria for registration which can be found at: healthy-kids.com.au/healthy-kids-nutrient-standard-2024/.

Food and drink companies can register their products annually for inclusion in the Buyers' Guide.

Food and Drink Criteria for NSW school canteens and vending machines

Sugar-sweetened drinks are not for sale in your school canteen or vending machines.

Everyday foods and drinks

Occasional foods and drinks

Everyday foods and drinks make up at least $\frac{3}{4}$ (75%) of the menu.

Occasional foods and drinks make up no more than $\frac{1}{4}$ (25%) of the menu.

Portion limits apply to some **Everyday** foods and drinks including flavoured milks, $\geq 99\%$ juices and hot foods.

Portion limits apply for **all Occasional** foods and drinks.

No Health Star Rating required on **Everyday** foods and drinks (except breakfast cereals).

A Health Star Rating of 3.5 stars and above required on all packaged **Occasional** foods and drinks (except diet drinks).

Display, price favourably, promote and advertise **Everyday** choices only.

Occasional foods and drinks are not promoted, advertised or displayed in prominent positions.

The NSW Healthy School Canteen Strategy

The NSW Healthy School Canteen Strategy (the Strategy) is one component of the NSW Government's goals to reduce the number of children above a healthy weight. The Strategy aims to support the healthy growth and development of students by increasing the availability of healthy foods and drinks in the school setting.

Balancing the Menu

The Strategy requires a canteen menu to be made up of at least $\frac{3}{4}$ **Everyday** foods and drinks, and no more than $\frac{1}{4}$ **Occasional** foods and drinks. In the Buyers' Guide, **Everyday** foods and drinks are highlighted green and **Occasional** foods and drinks are highlighted grey.

Health Star Ratings

The Health Star Rating (HSR) is the national front-of-pack labelling system that provides a quick and easy way to compare the nutrient content of similar packaged foods and drinks. The Health Star Rating scores the overall nutritional content of packaged foods and drinks and rates them from $\frac{1}{2}$ a star to 5 stars. When comparing products within the same food category (e.g. chips with chips or pies with pies), the one with the most stars is the healthier choice.

To assist schools to make healthy choices, the Strategy requires **Occasional** foods and drinks (excluding diet drinks), **Everyday** breakfast cereals, and nut/seed butters to have a Health Star Rating of 3.5 stars or more. In the Buyers' Guide, the Health Star Rating is listed only for these products.

Portion Limits

Choosing appropriate portion sizes is important to balance energy needs. The Strategy has specified portion size limits for all **Occasional** foods and drinks and for some **Everyday** foods and drinks (flavoured milks, $\geq 99\%$ juices and hot foods). Where portion limits apply, they are listed in the subcategory headings of the Buyers' Guide.

Further Information and Help

- **NSW Healthy School Canteens website:** education.nsw.gov.au/healthy-canteens
For more information about the Strategy and how it applies to your school.
- **Healthy Food Information Service**
A one stop shop for the support and tools you need to meet the NSW Healthy School Canteen Strategy: Answer your questions, link you with local support, help you make changes to your canteen menu, and more. Call 1800 930 966 (Monday-Friday, 9:00am-5:00pm) or email healthyfood@health.nsw.gov.au.
- **Healthy Kids Association website:** healthy-kids.com.au
For resources and recipes to assist in running a healthy school canteen.

Healthy Food Finder

A FREE online product search tool. Search over 13,000 packaged products, check if a product meets the NSW Criteria and find healthier products to sell in a school canteen.

Go to: foodfinder.health.nsw.gov.au or use the QR code.

Healthy Kids Association is dedicated to empowering children and their families with knowledge about nutrition and healthy eating to make the best decisions for their health – now and for a healthy future.

We achieve impact by focusing on where children are learning about health and where they are making decisions about food and nutrition. This includes at the canteen, at school, and at home.

For canteens, we provide information, support and advice to ensure canteens are able to offer and promote high quality and nutritious choices to school students to fuel healthy bodies and minds.

For schools, we focus on supporting the creation of a healthy learning environment, with high quality information, resources, programs and advice designed to help schools deliver messages around nutrition. We make sure these messages get home through communication with parents and empower children to make changes in their own lives.

Our membership program is an integral part of delivering this support through canteens, schools and families.

We also drive change that will directly impact children and families by working with the Government, food industry and other health promotion organisations to promote our core mission and messages. We pride ourselves on working hand in hand with our partners to grow our impact.

While our key focus is on children and families in NSW and the ACT, Healthy Kids Association also works nationally to promote nutrition and healthy eating through our partnerships, particularly with the food industry.

Get in touch with our team anytime:
(02) 9876 1300, or email info@healthy-kids.com.au

Our mission:
Influence industry and government, support healthy learning environments, educate kids and families, inspire communities and create healthy habits for life.

Is your school experiencing the benefits?

As a member of Healthy Kids Association, your school and canteen will have access to all the right advice and guidance to help you create a healthy learning environment for your students.

What's included in membership:

Access to Healthy Kids Online. This huge online resource centre includes:

- Everything you need for running a successful canteen in line with your state/territory canteen guidelines
- Kid friendly recipes
- Healthy and fun activities for kids
- Classroom resources for teachers
- Information for parents

**Schools can
SAVE with a 3 year
membership!**

PLUS

- Free tickets to the biannual NSW Healthy Kids Expo
- Receive two Healthy Kids Members Magazines per year
- A membership certificate for display
- Access to Accredited Practising Dietitians, Nutritionists and Health Promotion Officers via our advice line
- Free advertising for all canteen positions vacant across Healthy Kids web and social media platforms
- Emails packed with the latest news, advice, videos, recipes, programs, webinars, events and offers
- Access to exclusive partner offers including: Sign up to use Spriggy Schools for online ordering and have your first term of transaction fees completely waived, instantly saving you hundreds of dollars! (There are no deadlines, lock-in contracts or setup costs). Visit spriggyschools.com.au to find out more.
- 20% off food safety training with AIFS

NSW Healthy Kids Expo 2023

Thank you to all exhibitors and attendees who were a part of the 2023 Healthy Kids Expo.

We hope you had a wonderful day of networking and idea sharing.

Here are some snapshots of the day!

Simple as DOUGH-RE-MI

Quick dough recipe with no resting time.

Ingredients:

- 2 cups self-raising flour
- 1 cup reduced-fat plain yoghurt

Method:

1. In a large bowl, add flour and yoghurt.
2. Mix and combine by hand until a soft dough forms.
3. Place dough on a lightly floured surface and knead for about 1 minute.
4. Divide the dough equally into 4 balls.
5. Roll out each ball into circles or rectangles.

New food safety requirements from 8 December 2024

Recent changes to the Food Standards Code have introduced new food safety requirements for some school canteens. These requirements are known as Standard 3.2.2.A.

From 8 December 2024, canteens that prepare and sell unpackaged, potentially hazardous food, and serve it ready-to-eat, must:

- 1.** have a qualified onsite Food Safety Supervisor, who is reasonably available to supervise food handlers
- 2.** ensure all food handlers are trained in food safety and hygiene, or can demonstrate adequate skills and knowledge, and
- 3.** be able to show their food is safe by keeping records, and/or demonstrating safe food practices

Fridge and Pantry Basics

The following list contains fridge and pantry basics that are commonly used in food preparation in the canteen. The items listed below do not have an Everyday or Occasional classification as they are not eaten on their own but are used as an ingredient in the making of other foods and drinks. They can be used in the school canteen.

Save the DATES 2024

Vegetable Week 18th March

A free, quick and easy school-based event for NSW primary schools. It's a fantastic and veg-citing way to start your school year with a health-promoting crunch.

Big Veggie Crunch 21st March

This is an attempt by NSW primary school students to break the record for the highest number of children eating vegetables simultaneously – **and to get kids excited about vegetables!**

Fruit & Veg Month September

This aims to encourage increased fruit and vegetable consumption amongst NSW primary school children through engaging activities for the classroom, whole of school and at home.

Special Events

5th May - International Compost Awareness Week

27th May - National Reconciliation Week

4th July - NAIDOC Week

12th Sep - R U OK Day

1st Nov - National Tuckshop Day

Keep up to date with all these events and more on our website
